ASK ROOSEVELT TO VISIT BISBEE

City Council Will Send the
Colonel Copper Plate
Invitation.

Bisbee, Ariz., Oct. 24.—At a special meeting of the city council it was unanimously decided to invite Col. Roosevelt to visit Bisbee on the occasion of his coming to Arizona to dedicate the Roosevelt dam. The invitation will be engraved on a copper plate bearing the names of the mayor and the city aldermen and forwarded to Col. Roosevelt. General manager Greenway of the Calumet & Arizona, who held a commission in the Rough Riders during the Spanish war, stated that while a guest of Col. Roosevelt in Arkansas, the colonel said he would visit Cochise county "if there was a general feeling throughout the country to have him come."

NOGALES BOARD OF TRADE URGED TO SEND DELEGATES

Big Shipment of Cattle Made From
Nogales to California for
Pasture.

Nogales, Ariz., Oct. 24.—J. T. Flannagan of Merced, Cal., has had shipped through Nogales some 2000 head of cattle that are being taken to California for fattening.

The Nogales board of trade has received a call for representation at Phoenix during fair week in November, where a meeting of all the chambers of commerce and boards of trade of Arizona will be held in the new building there for discussing a state organization for Arizona; also whether there will be a permanent bureau in the east representing Arizona's interests, and plans to exhibit the state in its entirety at San Francisco in view of the exposition there in 1915.

Rev. Lawrence Reynolds of Guadalupe, Mexico, who was formerly a resident of Nogales, is in the city conducting a series of meetings at the Spanish Methodist church here. The school of the Sisters of St. Dominic has opened with a registration of about 60. This is the only school of this order west of the Mississippi and the erection of a \$50,000 or \$60,000 institution is expected for higher learning within the next few years.

Rev. and Mrs. Clay P. Morgan, who have resided in Nogales some time, Rev. Mr. Morgan as the pastor of the M. E. church, South, here, have gone to Garland, Texas, to enter a new field, the change being due to ill health here.

Sister Mary Childs died at the St. Joseph hospital here at the age of 24 years and her body was sent to San Antonio, Texas, her home, for interment. For three years she had been stationed at Hermosillo, Mexico.

WAGON TOO SLOW, MOTOR TRUCKS ARE SUBSTITUTED.

Growth of Ft. Stockton so Rapid That
Freight Handling is Serious
Problem.

Pecos, Texas, Oct. 24.—The growth of Fort Stockton, the new division point on the southwestern extension of the Kansas City, Mexico & Orient railway, where very considerable development has taken place and is now under way, consisting of the building of \$35,000 hotel, railroad yards, etc., has been so rapid that to cope for the demand for transportation has been no little problem and has taxed those engaged in freight handling to the limit of their resources.

Practically all the freight destined for Fort Stockton is carried by wagons from Pecos to that enterprising town, which is itself awaiting for its own railroad or the K. C. M. & O. extension from San Angelo. Lately it has been found practically impossible to meet the demand, especially for quick express and perishable freight, therefore the announcement made by James Rooney and L. B. Westman of Fort Stockton that they had ordered a five ton motor truck is a good piece of news here. It is proposed to make daily round trips to Pecos.

Much of the passenger traffic has been handled by automobiles for the past two years, but it is an innovation in handling freight by motor truck to inland points in west Texas.

Fort Stockton is probably doing a larger business than any inland town in Texas today and the passenger traffic to the Pecos county city is extremely large. Many immigrants are going there and farms are being opened up rapidly.

HUNTERS FIND AN INJURED MAN HELPLESS IN MOUNTAINS

Deming, N. M., Oct. 24.—A hunting party consisting of Boyd Chapman, John Kretz, L. F. and Edward Milliken has returned from a week's hunt in the Black Range, about 90 miles north of Deming. They returned with five fine deer. While out in the mountains the first night they found Jack Francis lying helpless, he having been injured in the right leg as the result of an accidental discharge of his rifle. Assistance was at once secured for him.

Rev. Wm. Sickles, for the past two years pastor of the Presbyterian church of Deming, and family, have moved to their new home at Beaumont, Calif.

N. R. Robertson, of the Harveys stand of El Paso, has relieved Harry Newton, who has had charge as local manager for the past few months. Mr. Newton will enter the real estate business.

PECOS LEARNS IT IS TO GET NEW RAILROAD LINE

Pecos, Texas, Oct. 24.—The latest piece of development news that comes to Pecos is that a railroad will shortly be chartered to build a line of railroad from San Antonio through the counties of Bexar, Kendall, Kerr, Kimble, Sutton, Crockett, Pecos and Reeves to Pecos, Texas. It is not stated who is back of this proposed line.

This line has for several years been considered an inviting one to railroad capitalists and as it would pass through several large and growing counties not now with any railroads, even at the county seats, it is believed that some strong company is back of the venture.

There was considerable talk last year of such a venture. It was stated that it would build to San Angelo instead of San Antonio and that it was a Santa Fe line. Local people are much interested in the matter and are awaiting further information.

DAIHART COUPLE MARRIES; NEW RESIDENCE ERECTED

Dalhart, Tex., Oct. 22.—Frank Tatum and Miss Ruth Butler were united in marriage at the M. E. church, and left for a few weeks' visit at Dallas that night.

The new residence of Frank Tatum is rapidly approaching completion for the occupation of a new bride and groom on their return from Dallas.

The revival meetings at the M. E. church continue.

Hicks Phillips, whose trial comes up next March, is again on bond on \$10,000. About half of Dalhart population is in Dallas this week attending the state fair and the remainder are home putting up stoves and rustling fuel.

JAP COTTON KING AFTER TEXAS CROP

Baron Mitsui of Japan
Hopes to Buy Bulk
of Crop.

San Antonio, Texas, Oct. 24.—Much of the cotton produced in Texas, amounting each season to 3,500,000 to 5,000,000 bales, will be shipped direct from this state to Japan, if the arrangements proposed by Baron Mitsui, known as the Japanese Rothschild, are put in successful operation. The baron is making a trip over Texas in the special car "Elgrim" and has established purchasing agencies for cotton at Dallas, Fort Worth, Houston, Austin, Galveston, San Antonio and Waco, and these general agencies will place buyers in every cotton town in Texas.

Baron Mitsui is the largest owner of cotton goods factories in Japan, having one of the largest in the world at Osaka, Japan. He has had some trouble in getting cotton from the United States, having had to purchase from English commission men at greatly advanced price. His plan now is to purchase in Texas direct and ship the output via San Francisco. He is planning to enlarge his factories so they will care for 3,000,000 bales a year for the Japanese Rothschild is said to own a controlling interest in every factory in Japan.

PROHIBITION VICTORY IS COMPLETE THROUGH VALLEY

Safford, the Most Hotly Contested
Precinct, Gave Dries Twenty-
seven Majority.

Safford, Ariz., Oct. 24.—The local option election held here resulted in the entire valley being carried by the prohibitionists, from San Jose to Ft. Thomas, Safford being the hottest contested precinct, the dries winning here by 103 against 51 wet. The revenue from the license of the saloons amounts to \$1200. The loss will probably be made up by a property tax in order to keep up the street improvements and other town expenses.

Dr. and Mrs. J. N. Stratton entertained at their home on Main street with a complimentary to Mrs. Sheldon Williams of Tucson. Those present were: Dr. and Mrs. J. G. Belt, Mr. and Mrs. R. S. Patterson, Mr. and Mrs. B. P. Thum, Mr. and Mrs. E. S. Wickensham, Mr. and Mrs. Joe Stratton, Mr. and Mrs. F. T. Patterson, Mr. and Mrs. Jack Williams of Morenci, Mr. and Mrs. McElroy, Mr. and Mrs. Fred Dowdle, Messdames Ijams, Nix, Gaines, L. N. Stratton and Miss Cowan of Tombstone.

There was a parade before the game and the Municipal band was in attendance.

GYPSES WITH MONEY EXCLUDED AT DEL RIO

Greek Families Have More Than \$12,000
Cash But Are Denied Admission
By Immigration Officers.

Del Rio, Texas, Oct. 24.—Three families of the Gypsy type, three couples and eight children, were denied admission to the United States here.

From skirt pockets, stockings, belts, etc., the would-be immigrants took a half-bushel of \$20 gold pieces, and the gypsies remarked that they had as much more in their wagons across the Rio Bravo. In all, the party possessed in the neighborhood of \$12,000 in gold coin.

The party was refused entry because of their wandering habits, and because they were liable to fall into the hands of the unscrupulous and be relieved of their gold, and become public charges.

One man wore a watch chain made of English, French, Spanish and American coins to the value of over \$500. Each of the women wore similar chains.

APPLE CROP AT MAYHILL BETTER THAN EXPECTED

Mayhill, N. M., Oct. 24.—Mrs. H. O. Riggs died at her home, aged 44 years. The family moved here from Oklahoma four years ago and Mrs. Riggs made many warm friends here. She leaves six children and a husband. The interment took place at the James Canyon cemetery.

Jim Cady and family have moved to Alamo for the winter.

While picking apples at J. F. Marshall's orchard, blossoms and fruit were found on the same limb.

James Courtney of Weed died from a relapse. He had slow fever.

Farmers are all busy cutting grain, hay and picking apples. The fruit crop is abundant and better than it was thought it would be in the spring.

Bert Browning of the Felix will leave for Upton, Wyo., next week to make that place his future home.

Percy Posey, while jumping a rope at school, caught his foot and was thrown to the ground hard enough to fracture his arm.

UNIVERSITY COOPERATIVE SOCIETY IS PROFITABLE

In Fourteen Years of Its Existence the
Students' Cooperative Store Has
\$250,000 of Goods.

Austin, Texas, Oct. 24.—The University of Texas Cooperative society is a unique financial institution. It is now fourteen years old; it has no capital stock and no debts; and its assets consist entirely of accumulated net profits. It is governed by a board of seven trustees, of which the chairman is the president of the university. The object of the "Co-Op" is to sell goods to students as near cost as possible.

During the past 14 years it has sold more than a quarter of a million dollars worth of goods chiefly to students. It has exacted its sales have amounted to \$256,251.15. The gross profits for the entire period have been \$40,507.48. Of this amount, \$15,441.49 have been expended as salaries, or a little more than \$1000 a year. Other operating expenses have amounted to nearly \$6000, or about \$400 a year. Something more than \$1500 have been paid out for rebates to members, leaving the net profits of the business for fourteen years at \$17,692.71. The amount now constituting the entire assets of the Co-Op. This sum is in the hands of the trustees of the society in the form of cash, notes, and stock on hand. Present sales run \$35,000 per year.

WITNESSES GIVEN LEAVE OF ABSENCE TO VISIT HOMES

Solomonville, Ariz., Oct. 24.—A number of witnesses were excused to go home and return for duty on Tuesday morning, at which time the case of J. H. Villon, charged with the murder of E. E. Cook, will come up for trial.

L. P. Tires, the Mexican minister formerly at the Sanchez settlement but recently at Tucson, Ariz., is here.

W. R. Chambers, clerk of the court, is able to be in court again. He was on the sick list part of last week.

Ben R. Clark is able to be up. He will soon be able to be out and look after the defense of the charge against him.

GOOD RAIN AT BIG SPRINGS MAKES FARMERS HAPPY

Big Springs, Texas, Oct. 24.—A splendid two-inch rain fell here. Fine crops are always raised here the following year when we have rains in October. Farmers are now getting busy preparing land for next year's great cotton crop, which will be a "ringer." A heavy white-man's frost fell Friday morning.

It is reported on splendid authority that the "Cotton Belt" will build from Comanche, by way of Big Springs, to Roswell. As this is a very feasible route and as two civil engineers were in the city Tuesday in the interest of this road, it seems to be a go. At least Big Springs has a fair "bonus" for this good road.

RAIN AT FT. STOCKTON.

Ft. Stockton, N. M., Oct. 24.—A slow steady rain has fallen throughout the district.

"I had been troubled with constipation for two years and tried all of the best physicians in Bristol, Tenn., and they could do nothing for me," writes Thos. E. Williams, Middleboro, Ky. "Two packages of Chamberlain's Stomach and Liver Tablets cured me." For sale by all dealers.
